I talked with Rebecca today and here is some information regarding the project. I have not advised her that Nancy was taking over as permit writer as I was not yet requested to do so. Here is the information she sent.

Michele,

Thanks for getting back to me. Attached are the two items from the Sierra Vista Herald that we discussed. The one is the article written by Eric Petermann, who made a site visit out to Gunnison. The other is a letter from the editorial board of the paper. Both are very positive and reflect the efforts made by Excelsior to date to engage with the community.

Let me know if you have any questions.

Thank you,

***Rebecca A. Sawyer***
